IMA-NA Attachment 1.pdf  
IMA-NA Attachment 2.pdf

Robert--

Given your responsibilities at EPA, and particularly given your leadership role in the current risk evaluation efforts under TSCA, I thought I would send you a courtesy copy of the comments IMA-NA filed today in the "asbestos" docket. The comments were duly filed through the Federal eRulemaking Portal: <http://www.regulations.gov>.

Please let me know if you have any questions, comments or suggestions regarding this matter.

Best--

Mark
